

Hard, September 2023

Dear Valued Supplier,

Deurowood GmbH acquired select assets of Chemisol Italia S.r.l., including the HIPE®ADD product line on September 20, 2023. As one of the leading suppliers of chemical specialties and additives for the global paper impregnation industry, we are adding the high performing HIPE®ADD product line to Deurowood's product portfolio.

Therefore, effective as of September 20, 2023 and the following days, the Purchasing Manager at Deurowood, Mr. Christian Winkler, will take up contact with you in order to place purchase orders of your products in the context of carrying out the business.

Should you have any pending purchase orders placed by Chemisol, which are still not performed by you, such purchase orders (together with the relevant rights and obligations) have been assigned to Deurowood by operation of law pursuant to and for the purposes of Article 2558 of the Italian Civil Code. For ease of reference, we provide you with the relevant purchase order details from Deurowood with a separate attachment to this email. Please make sure that the products related to such pending orders are shipped directly to Deurowood on the delivery date as previously confirmed by your company to Chemisol.

We hope that the Deurowood information sheet, also provided in the same email as a separate attachment, will fully suite your requirements for new customer information, should Deurowood not yet have been set up as a customer in your company ERP system. Should you immediately require additional information, please do not hesitate to contact Mr. Winkler, email: christian.winkler@deurowood.com.

We at Deurowood look forward to work with you in the weeks and months ahead – constructively and collaboratively.

Guenther Tappeiner  
Managing Director

Ines Schwigon  
Executive Director, Finance & Purchasing
